## INTRODUCTION TO NINE GUIDES

The Nine Nubun Guides are those Word Formulas of Motivation and Activation which propel Nubuns to SUCCESS, individually and as a Race.

Any Nubun who has the durability and intelligence to adhere to the word formulas called THE NINE NUBUN GUIDES will survive through the ages and be SUCCESSFUL.

The words ETHIOPIAN and NUBUN mean the same.  
A NUBUN IS A WOOLY HAired ETHIOPIAN.

So, when we state NUBUN we mean a person or persons with Genuinely Wooly Hair, meaning, Genuinely Kinky Hair.

PTAHKIND is the Opposite of Mankind.  
PTAHKIND is All People with Genuinely Kinky, meaning Kingly Hair by Nature. PtaHkind is the Ethiopian Race. PTAH is pronounced **TAR**, the "P" is silent.

And MANKIND is All peoples with Straight Hair by Nature.

## THE NINE NUBUN (ETHIOPIAN) GUIDES

### 1. ***I Promise To Preserve Self At All Times To The Best Of My Knowledge, Wisdom, Understanding And Ability.***

Complete SELF is not just One Individual. Complete Self is ALL those of a Kind. All People of the same Race are One Being.

A Race is ONE BEING with MANY PARTS, and those parts are the Individuals of One Being.

So the Promise to Preserve Self is the Promise to Protect Self and Kind in every possible and practical way; reproduce Self with own Kind.

Do not be an Aggressor but do not hesitate to practice Self-Defense whenever and wherever it is practical and needed.

People who Love Self enough, to Preserve Self, do not use Tobacco in any form neither Strong Drinks nor any form of Dope or Narcotics.

However, in Protecting Self, do not stick your neck out in Mankind's Society for the Unintelligent who refuse to Accept Nine Knowledge and Practice Nine Knowledge.

**2. *I Promise To Have Sexual Relation With No One But The Opposite Sex Of My Own Kind.***

NUMBER TWO of the Nine Guides restricts reproduction to existence only among those of the SAME KIND, that is, those of the SAME RACE.

This restriction is also a part of Self Preservation, and Self Preservation is the first Law of Nature. Eternal Life is the continuous Procreation, with the OPPOSITE SEX OF YOUR OWN KIND; therefore, it is very desirous to have a Son among the offspring of a family, because a Son continues the Blood Lineage.

The SEX-WITH-OWN-KIND principle prevents a race from destroying itself and likewise prevents people of other races from destroying itself by MISCEGENATION.

The Nubun Male is very fortunate to have the Richest Female in Body on the Planet, and that is the Wooly Haired Female, and we must Learn to Protect her in every way and Provide for her.

The Caucasian Male struggles to keep Males of other races away from his Females, because he knows if other males obsess his females, his race in given time will become a multitude of HYBRIDS and MIX-UPS and memberships of no particular race.

In other words, the Race loses its IDENTITY and that is DESTRUCTION. We must also strive to maintain our NUBUN IDENTITY.

**3. *I Promise To Eat And Drink ONLY Those Gases, Liquids, And Solids Which Will Be More Beneficial Than Harmful To My Mental And Physical Selves To The Best Of My Knowledge, Wisdom, Understanding, And Ability.***

If a person eats or drinks something which he or she knows is not fit for consumption or it disagrees with him or her, that person is Unintelligent and thereby is Mentally Dead.

The One Supreme Being is NATURE IN GENERAL, and the One Supreme Being is our **Physical Lives** because we Feel, Eat, Drink, Taste, and Breathe the One Supreme Being.

The One Supreme Being is our **Mental Lives** because we Study and Understand it by Analyzing, Observing it and Learning of it.

The One Supreme Being is Food, Clothing, and Shelter;  
It is All Persons, All Places, and All Things.

Each part of a person's Physical Self, which has a different composition than another part is composed of a different formula, and those parts different in composition require a different food, that is, the kind of food which possesses the formula of that part.

When a given part of the person does not get the formula necessary for its survival, that part begins to degenerate and the person starts to suffer from disease or ailment.

Ethiopian Communities everywhere need Mentally Resurrected Dietitians who can teach Ethiopians what to eat, how much to eat, and when to eat.

We must not let the Caucasian influence us on what is best for us to eat. He may tell us that PIG is all right to consume, but we know that pig is a diseased animal by Nature, who possesses poisonous flesh.

By Nature Hogs produce TRICHINA WORMS, which cause disease called TRICHINOSIS. We must decide for ourselves what is best for us to eat and how much and cook it in the way that is best for health.

Most Seafood with Scales is all right to eat.

Most Fowl that is not Birds of prey is all right to eat.

Fruits that are suitable for your Digestive System are all right to eat.

Nuts like Peanuts are all right eat, because peanuts are not as hard to digest as some other Nuts, because they are not as heavy and oily as some others.

Yet, Raw JUMBO PEANUTS are very helpful to those who are bothered by TOO MUCH STOMACH ACIDITY.

All Vegetation that is not poisonous and is agreeable to the person is all right to eat.

Of course, Artificial Drinks are Poisonous to the Health, and the Water and Fruit Juice that's available to the person should be as Fresh as possible and pure as possible.

Of course, Alcoholic Drinks are completely TABU (forbidding) for Mentally Resurrected Ethiopians.

The Air we Breathe and the Water we drink should be very Clean and Fresh, and Smoking Tobacco and Marijuana cloud the Lungs and Bloodstream.

In short, anything that will cause a person more harm than benefit should not be consumed; if an Intelligent Person knows that something does him more harm than help, he or she will not indulge.

***4. I Promise To Be A Nubun FIRST To The Best Of My Knowledge, Wisdom, Understanding, And Ability, Then Whatever Else I Wish To Be.***

Mentally Resurrected Nubuns try hard to follow and adhere to the Highest Standards in Nature, and trying hard to be a Nubun FIRST in a world of Mankind is no exception.

Being A NUBUN FIRST is NUMBER FOUR of the Nine Guides. Be a Nubun FIRST then whatever else you wish to be means this: Before doing any serious talking or taking any sincere action of any sort, FIRST determine if it is in the best interests of the Nubun Race as a whole because, if what you say or do is best for the Nubun Race, it is best for your Nubun Family including your Nubun Self.

What is best for the Race is also best for its component parts. The Caucasian Race knows this and practices this. And this is one reason why it is much more unified and much stronger than our Race.

Being A NUBUN FIRST helps strengthen us by Race and recognition, so that we may become what we wish to be as an individual.

***5. I Promise To Advocate Nine Knowledge And Adhere To Nine Knowledge To The Best Of My Scientific Information, Wisdom, Understanding, And Ability.***

There is an old saying: You know the tree by THE FRUIT it produces. By the same token: You know a Mentally Resurrected Nubun by his or her ACTIVITIES.

Advocating Nine Knowledge may be one thing and adhering to  
Nine Knowledge may be another. You heard the  
expression: Put your money where your mouth is. By the same ethic:  
Put your adherence where your Advocation is.

If one advocates Nine Knowledge that person should be adhering to, that  
is, practicing Nine Knowledge.

Advocation and Adherence should coincide as one.  
If a person talks Nine Knowledge but does not follow through on the  
practice, that person does himself or herself more harm than benefit,  
and thereby is Unintelligent.

Everyone with Genuinely Woolly Hair by Nature is a Nubun BY RACE, but  
only those who can understand and practice Nine Knowledge are Nubun  
BY MIND.

Be Intelligent and accept NO ALIEN CULTURE and  
NO ALIEN RELIGION for your own but always hold fast to your own.

**6. *I Promise To Treat Peoples Of Other Races The Same Way That  
They Treat Me To The Best Of My Knowledge, Wisdom,  
Understanding, And Ability.***

Mankind has practiced DISCRIMINATION against NUBUNS as  
far back as their history can be found; now it is time for us Nubuns to  
RECIPROCATE by destroying the ONESIDEDNESS of that BIASNESS.

That is to say, the Guide which commands us to treat people  
of other races like they treat us means be a PERFECT RACIST and  
practice RACISM the way it should be practiced, that is EQUALLY.

One-sided racism, the way mankind practices it, is wrong. There is nothing  
wrong with racism if it is **EQUAL RACISM** - the kind that maintains this  
warning to peoples of other races:

I will not exploit you and don't you exploit me;

I will not try to proselyte you and don't you try to proselyte me;

I will not try to pervert or sex your females, and don't you try to  
pervert or sex my females.

I will not try to take what rightly belongs to you and don't you try to take what belongs to me.

This is the way to practice EQUAL RACISM with peoples of other races. NUMBER SIX of the Guides also means: If people of other races treat you bad, treat them worse If they are THE AGGRESSOR, and therefore your WORSE treatment to the aggressor is only equal or the same as their BAD treatment of you.

**7. I Promise To Uphold Justice And Rightness At All Times To The Best Of My Knowledge, Wisdom, Understanding And Ability.**

JUSTICE and RIGHTNESS work in Unity with Equalness; In fact the two are based on PARITY. A person can be only as Just as or Right as THE KNOWLEDGE he has access to and only as Just or Right (in accord with Correct Knowledge) as HIS NATURE dictates.

In other words, a person can not be Just and Right if he does not have the definition and knowledge of Justice and Rightness, and even though a person may have the definition and knowledge of these factors he can only practice them to the degree that his NATURE is Just and Right, unless forced into them further by circumstances.

Justice is THE BALANCE OF THE OPPOSITES in accord with the cycle in which one lives. Justice is EYE for EYE and TEETH for TOOTH, because an Aggressor (according to the Laws of Nature) does not get returned to him just the amount of damage he did, but must also pay for being THE AGGRESSOR.

When anyone tempers Justice with Mercy, it ceases to be Justice any Longer.

We Wooly Haired Nubuns represent JUSTICE BY NATURE, because we have the greatest capacity for reaching the Highest Standards of Nature and maintaining them.

It will suffice here to state that Justice and Rightness are the nature of us Nubuns in our Just Cycle and in our RIGHT Mind. Our Right Mind is our Nine Knowledge Mind, our Mind of Nine Reason.

We Nubuns are responsible for restoring True Justice and Rightness, because mankind, being animal, is not capable of reaching and maintaining the state of real Justice and Rightness.

Those who practice Justice are also practicing Rightness. RIGHTNESS is the Laws and way of General Nature. The dictates of the Nature of a person, place, or thing are Rightness for that person, place, or thing.

In other words, the Nature of a thing is right for it, because a thing exists best when it adheres to its own Nature.

Some people believe (belief means one does not know) that going to church makes People GOOD or RIGHT, but this is a false belief as most religious beliefs are.

The facts are: Whether a person goes to church or not, that individual will do what ever his or her Nature dictates.

If the person is POSITIVE by Nature, he or she will be as Right as that person has the knowledge and ability to be whether he goes to church or not.

On the other hand, if a person is NEGATIVE by Nature, he or she will do the wrong or negative things which the person's nature demands whether the individual goes to church or not.

Hence, Rightness for a person, place, or thing is its own nature. However, THE HIGHEST STANDARDS attainable in Absolute Nature (All Space, All Matter, All Time) by it Laws are the Highest Form of Rightness and Justice practicable.

What are Mercy, Forgiveness, and Justice?

MERCY is DEFERMENT OF JUSTICE until a later time. Then justice will fall upon the individual guilty one himself (or herself) or upon his or her seed or kind, because each and every one of a kind is one flesh and blood, for they sprang from the same ancestral tree or origin.

FORGIVENESS is TEMPORARY TRANSFERMENT OF GUILT from the guilty one to the forgiver. However, forgiveness does not free the guilty from his or her wrong-doing because, according to the Laws of Nature, the guilty one MUST ACCOUNT for his wrongness, personally, or the guilty one's seed or kind must do so.

Forgiveness means to take the guilt of someone upon self, and thereby the forgiver becomes an accomplice of the guilty, therefore, his penalty or punishment is the same as the guilty, but the forgiver's punishment comes before that of the guilty. But the punishment of the forgiver comes before that of the guilty, because the act of the forgiver is a temporary transferment of the guilt to himself, meaning, the punishment of the actual guilty one is deferred until later, since the forgiver has taken it upon himself.

However, the innocent paying the price of the guilty does not satisfy the Laws of Justice, because the innocent did not commit the wrongness. The guilty one himself (or herself) must finally take the punishment of guilt in full, and then the laws of justice are satisfied.

Moreover, a person can not forgive another person for some wrongness the culprit did to a third party, for the only one who can truly forgive is the victim himself, because he or she is the one who suffered the hurt and harm, and the victim himself does not have the power of forgiveness unless he or she is in his or her right mind, and one can not be in his right mind unless he or she knows, accepts, and understands  
Right Knowledge.

A person has accepted Right Knowledge when he knows Right Knowledge and practices Right Knowledge. Right knowledge is  
**UNIVERSAL KNOWLEDGE.**

If a person of a kind forgives another person of his own kind, he has forgiven himself, because all people of the same kind are one flesh and blood by Nature and ancestral tree or origin, and Justice works by the seed, that is, Ancestral Lineage.

**JUSTICE IS WORDS FOR WORDS AND DEEDS FOR DEEDS, NOT  
EQUAL TO THE AMOUNT SOWN BUT EQUAL TO THE AMOUNT  
GROWN.**

"Not equal to the amount sown but equal to the amount grown" means this: The one who initiates a wrong deed is AN AGGRESSOR whose wrongness may cause a chain reaction of wrong deeds, but the wrong-doer of the original wrong act is responsible for all the wrongness which result from the original wrong act, therefore, the one who first sowed the seed of wrong must reap the whole harvest, according to the Laws Of Justice, because he is the Aggressor as well as the transgressor.

However, all who were a part of the chain reaction of wrongness are accomplices of the Original Aggressor, and will meet the same fate as the

Aggressor, if they deliberately follow in the foot steps of the Aggressor, knowing that he is wrong and violating the Laws of Nature.

***8. I Promise I Will Fight Hard For Liberation And Freedom For The Nubun Race, And When It Is Liberated And Free, I Will Work Just As Hard To Keep Our Liberty And Freedom Preserved To The Best Of My Knowledge, Wisdom, Understanding, And Ability.***

There is nothing wrong with fighting verbally and violently for our liberation and freedom when we have a chance to win, it is foolish to fight PHYSICALLY when we only have a chance to lose and see ourselves be put deeper into captivity and oppression mentally and physically than before.

There is no Liberation and Freedom obtainable in the world of Animaldom without bloodshed, but that bloodshed must be on the battlefield when we have a chance to win and the bloodshed must be mostly from THE VEINS OF THE ENEMY.

A person should defend himself or herself Mentally and Physically at all times to the best of his and her knowledge and ability, but it should always be done as reasonable and practical as possible. That is to say, when you do not have a chance to win, you will destroy yourself by trying.

Use your Best Mind FIRST at all times for Self-Defense, then whatever else you can succeed in doing. There is no VICTORY IN DEATH as the dead would have us BELIEVE, unless it is the death of THE ENEMY.

DEATH is DEFEAT. When you shed more blood than the enemy that is defeat. When you suffer more death than the enemy that is defeat. When you fight Verbally and Physically with the enemy and when the fight subsides, the enemy is still the best in what ever you were fighting over, that is defeat.

Let's fight, but fight when and where it is REASONABLE, PRACTICAL, and WINNABLE. It is Reasonable, Practical, and Winnable for us to fight FIRST with NINE KNOWLEDGE, for Nine Knowledge gives us Nubuns the Proper Guide and helps the Sun change the Gases of the Atmosphere to our favor.

Our Minds emanate Gases. If our Minds are Negative, the Gases are Negative and against us. If our Minds are Positive, the Gases are Positive and for us, and Positive Gases of Nine help the Nine Sun change the atmosphere to the Positive Cycle that is growing now. The Gases of the atmosphere working on and with our Minds are what Control and Rule.

**9. I Promise That Before My Physical Death I Will Arrange For My Lifeless Body To Be CREMATED And The Remains Distributed At The Roots Of An Evergreen Tree Or Some Other Suitable Placed Willed By The Deceased.**

I also Seriously Promise By Nubun Forces Of Nature By This Ninth Guide To Maintain The Promises Of ALL Nine Nubun Guides For An Existence In Liberty, Freedom, Preservation, Well-Being and Success, With The Understanding That If I Fail With The Understanding That If I Fail To Keep My Promise To The Best Of My Knowledge, Wisdom, Understanding, and Ability, I will SOON JOIN THE PHYSICAL DEAD.

Ghouls, Ghost, and Demons  
in the atmosphere and in people will control and rule us Nubuns so long  
as we allow our dead bodies to BE BURIED instead of  
CREMATED

. In other words, as long as we follow the doctrines and ways  
of THE DEAD IN MIND and those who represent THE DEAD IN BODY,  
we will continue to be held captive and oppressed by THE DEAD.

NUMBER NINE of the Nine Nubun Guides require that we CREMATE  
our deceased relatives and the flesh of all dead animals which is not  
stored for food so that their bodies  
can not ferment death gases that permeate the atmosphere and  
strengthen and multiply ghouls, ghosts, and demons in general.

Because in turn these Spirits Of Death exist by preying on the living by  
subsisting on their blood and by causing  
Oppression, suppression, repression, diseases, murders, insanity,  
sex perversion, deformities, et cetera.

And all of these activities are acts of  
Negative Forces of Nature called CONSCIOUS DEATH GASES who  
cause suffering and death through mankind so that  
those Negative Forces may survive.

Burying Dead Bodies of anything instead of Cremating  
them increases the power of the dead  
(The Negative Forces of Nature) to prey on the living and cause  
The Physical Living to suffer, shed blood, and die.

Cremating Dead Bodies help lessen and destroy Negative Forces and  
help break the spell of control over us, that we may live longer and in  
greater ease. A Dead Body should be Cremated as soon as

its identity is established and those concerned have had a chance to view it. It should never be allowed to reach a point of Odorous Decay.

It should be Cremated immediately and the remains deposited at the roots of an EVERGREEN TREE or some other suitable place willed by the deceased or determined by the relatives.

NUMBER NINE of the guides also provides for SWORN ADHERENCE to the promises made by the Nubun with Nine Ether - The Nubun Forces of Nature - that he or she will exist in liberty, freedom, preservation, well-being, and success as long as these NINE (9) PROMISES are kept to the best of the Nubun's knowledge, wisdom, understanding, and ability, and if the Nubun does not keep his promises to his forces for his own survival and wellbeing, that person has committed suicide, and will die physically ANON, because he or she does not deserve to live.

### **WHAT IS NINE KNOWLEDGE?**

Nine Knowledge is Ethiopian Knowledge by Nature, composed and disclosed by Ethiopians, that is, Woolly-Haired People.

One of the major enemies of the Ethiopian Race is IGNORANCE. The words CAIN and NEGRO spell the word IGNORANCE, because Cain (which is short for Caucasian, the white man) produced ignorance and created the mental dependent called NEGRO.

The enemy of an Intelligent Mind, is Ignorance, therefore, Nine Knowledge provides the Mental Strength necessary to fight off this natural foe and help prepare a protective defense against it.

Universal and Natural Knowledge to be known as Nine Knowledge is THE RESURRECTOR of the Mental Dead called NEGROES.
